**How Top Up Cover Works**

Top Up Personal Injury cover is designed to provide an additional loss of income benefit on top of the Temporary Total Disablement (TTD) entitlement under Event 18 of the Country Rugby League of NSW Group Personal Injury Insurance for Amateur sports policy Schedule of compensation. Currently the maximum TTD entitlement under Event 18 of the CRL policy Schedule is 80% of your Weekly Income (as defined) up to \$300.00 per week.

For example by purchasing \$200.00 per week extra benefit cover this will increase the TTD benefit threshold from \$300.00 to \$500.00 per week. So if an Insured Person earns a weekly income of \$650.00 per week and he or she decides to purchase the Top Up cover of \$200.00 per week extra benefit, this will increase his or her TTD benefit to \$500.00 per week. Therefore based on the income declared the TTD benefit will then be assessed at 80% of declared Income, (\$650.00 per week x 80% = \$520.00 per week). Therefore under Event 18 the revised Weekly Income benefit would be \$500.00 per week.

Importantly, to be entitled to the above cover the Insured Person must satisfy the policy definition of Income. To receive the full benefit amount the Insured Person's Income must be **GREATER** than the combined benefit under Event 18 and the extra benefit cover purchased (as per the above example).

**Note**, the additional cover commences from the date the Top Up form is completed and the premium has been paid to SLE Worldwide Australia Pty Limited. **Cover cannot be backdated.**

## COOLING OFF PERIOD

Even after an Insured Person is issued with the additional benefit cover, they still have cooling off rights. The Insured Person can cancel the additional cover by notifying Us in writing at the address below or via email, within 14 days from the date the Insured Person signed the form. If the Insured Person decides to cancel the additional cover within the cooling off period, We will refund the Premium paid (except any amounts of tax or duties which We are unable to recover), unless during this period the Insured Person has made a claim under the Policy.
